## CEO ENJOYS THE OREGON COAST REGIONAL AT SEASIDE

Seaside is a charming town, located approximately two hours west of Portland. It can be difficult to reach but it is a delight once you arrive.

Everyone walks in Seaside, and the town offers a wide selection of shops and restaurants at every price point.

Seaside is dotted with many motels offering very attractive rates, some with kitchenettes that can bring travel costs down further. Those in the know rent small homes for the week to share with friends and family.

The beach in Seaside is stunning and offers visitors a 1.5-mile paved promenade. Every morning, I passed bridge players enjoying the fresh ocean air.

Every marquee sign welcomes bridge

players, bridge hands are discussed virtually everywhere you go and visitors are made to feel part of a friendly, welcoming community.
