

# OREGON HIGH DESERT REGIONAL

## Message from Marie

As I write tonight, we are a day and a half into the first Central Oregon regional in a long, long, long time and it is proving to be a hit with the important people: you, the players! As I said in my welcome article, our head Director, Matt Smith, pulled some numbers out of the air so we could do our buying and ordering and planning. He guessed 975 tables and we are on the way to exceeding that by a large percentage!

I usually wait until the last Bulletin to acknowledge and thank people, but I think it isn't too early to recognize the forces behind this event. The Bend Unit, and its spokesperson, Nelda Linman, started championing their cause about 5 years ago and helped the District get to this fine end. The plan is now to hold this tournament every other May, in even years.

So, please join me in thanking Nelda and crew for their perseverance! Enjoy and thank you so much for coming!

## I/N Players

Intermediate and Newcomer players are invited to a reception between sessions today hosted by District 20 and Margi Redden. The location is in the River Lodge section of the hotel. Leaving the Homestead, take the path to the LEFT and then RIGHT at the "T". Continue on past the Great Hall and the lodges are on the left. They are two story and the room is towards the middle: Cascade Gallery 712. The food can certainly be your dinner and Margi has promised "Growlers" and other libations. Many of the speakers will be there for you to quiz. Have a great time!

## High Desert Museum

If you're looking to take a break from bridge this week, you might want to check out these exhibits that are on now at the High Desert Museum in nearby Bend:

- **Wildlife Forensics:** Learn about solving crimes that threaten wildlife using real lab work and other hands-on activities.
- **Railroads in the High Desert:** Learn about the overnight transformation when the transcontinental railroad arrived, including population, environment and ways of life.
- **Plateau Indian Bags:** Learn about the art, functionality and tradition of these bags featuring geometric patterns and intricate bead work.
- **Animal Corridors:** Learn about why these corridors are needed and future planning.

## Directors & Teachers

Director Course will be held in the Vandeventer Room. There is still room for more participants in the three morning course 9 to noon Wednesday, Thursday and Friday. The cost is \$100 and may be paid at the door.

Teacher Appreciation Breakfast will be held Wednesday morning at 9:30 in the Meadow Restaurant in the Lodge. All D20 teachers are invited at D20 expense. Come join the conversation. We'll start talking about mentor programs and see where that takes us.
