

NABC Fund Raiser Games!

September 18 – 24, 2017

Funds raised from these games will be used for NABC player hospitality and entertainment at the Hawaii Fall NABC 2018.

Providing hospitality that players both enjoy and remember will help our district receive future NABC's.

SCHEDULING YOUR GAMES

The week of September 18, 2017, has been set aside for these games throughout District 20. Your club is encouraged to run a game for each sanctioned session you have, with \$4 per table going to the Hawaii NABC Hospitality Fund. These games pay extra black points (81.8% sectional, about 1/3 more than a local charity game).

RUNNING YOUR GAMES

No special sanction is needed. Simply schedule the games, promote them, and then run them as usual. Game(s) may be pair or team games in any format. In ACBLScore set up, when you get to "Select Event Rating," select "Fund" and then "NABC Promotional Game."

REPORTING YOUR GAMES

When you DBADD the game, a report will be printed to accompany your payment. Complete this form and forward it to the Hawaii NABC Finance Chair (see below), along with \$4 per table. Regular game fees of \$1 per table will be included with your club's month-end report.

Make checks payable to the Hawaii NABC Hospitality Fund and send the completed form including the \$4 fundraising fee per table to:
