

## **DARRELL GRAHAM**

**Darrell Graham** passed away on December 18, 2021, in Amarillo, TX.

He and his wife Nancy Meacham-Cole were on their way to visit Heather in Livingston, TX. Nancy relates that the night before he passed, he had her read Matthew 20 to him. Darrell had been a Christian

for only the last six years. He told her that words cannot express how much he loved her and also said, "If I don't wake up tomorrow..." Then she interrupted him and said, "You've got to live longer. We have plans."

Unfortunately, Darrell died of a heart attack the next morning. So that night before it seemed he had a sense that his time was short.

He was a long-time player, supporter and friend of the Vancouver Bridge Club and achieved the rank of Life Master in 2014. Darrell enjoyed giving back to the game, was a mentor to many, and had served as a board member. He will be missed.

Nancy said that in lieu of flowers Darrell had requested that donations be made in his name to the club.
