

Duane Meador

Duane died at 2:45 am on Thursday, April 14, in Raleigh, NC. He had just observed his 96th birthday on April 9th. But on the morning of April 10 he fell into a deep sleep and never re-awoke. It was as though his brain and body were just completely exhausted.

Duane was perhaps a charter member of the Vancouver Bridge Club, having played there since 1949. He was also involved in club operations and was the first webmaster in the early days of the internet. He had moved to Raleigh in the summer of 2021 to be close to his daughter.

His daughter Linda said, "I'm going to miss my dad very much. I was fortunate to have him all to myself for the last 7+ months and really become close to him again!"
