

November 27 – December 7, 2025

Hello 0–299 Bridge Players!

You are personally invited to join us at the **San Francisco NABC** on **Wednesday, December 3, 2025** for a special **10:00 AM** bridge game just for you!

After the morning game, District 21 will host a **light lunch** for all 0–299 players. There will be **gifts, prizes, and plenty of fun**—a wonderful chance to make new friends, chat about the morning's hands, and ask any questions you may have about bridge.

So gather your bridge partners and friends, play in the morning game, and then stay for this special District 21 lunch event!

Please note: All players must be **members of the ACBL** to participate in NABC games. If you're not yet a member, the ACBL will provide a [free guest membership](#) that never expires and will track up to **20 masterpoints**.

We can't wait to meet you in San Francisco this fall!

Warmly,

Janelle Van Rensselaer (janellevanr@gmail.com)&
